ICTAB
The 13th International Conference on Treatment of Addictive Behaviors
31st of May - 4th of June of 2015 in Odense, Denmark
The 13th International conference on the Treatment of Addictive Behaviors will focus on the integration of addictions services into four broad mainstream service areas: health care, mental health, social services, and corrections. Each keynote speaker will be an outstanding researcher with expertise in addressing substance use disorders and their treatment in:

1. Health care settings, including topics such as integration into primary care, screening and brief intervention, training of health professionals, and integrative care
2. Mental health care settings, including topics such as the treatment of concomitant disorders, integrated behavioral health services, PTSD, and pharmacotherapies
3. Social services settings such as welfare or employment services, and addressing issues such as homelessness, child welfare, domestic violence, and case management
4. The criminal justice system, including jails and prisons, probation and parole, community corrections, diversion programs, drug courts, policing, pre-release

Special attention will be paid to challenge and solutions in integrating addiction treatment into the above four services.

The ICTAB conferences traditionally focus on research relevant to treatment of addictive behaviors, providing clinicians with knowledge that can be translated into real life clinical practice.
Odense - The region’s capital

Odense is situated on the island of Funen, right in the heart of Denmark. A favorite destination of visitors for hundreds of years, and home to the celebrated author Hans Christian Andersen and composer Carl Nielsen.

Today this inspiring city invites guests to wander its cobblestone streets with its many shops and rows of cafés. Odense is dotted with green areas and a river meandering through. There is plenty of room for thought and “walk-and-talks” in inspiring surroundings.

Odense is easy to get to, easy to get around in and easy to feel at home in. Everything is within comfortable walking distance that will create an intimate infrastructure and feel around ICTAB 2015.

Odense offers something for everybody, be it relaxing in the park by the river, traveling through the pulsing city center, researching at the university, or experiencing the many cultural sites.

A little, big city. A city that is full of life. Denmark’s number one cycling city. A student city. A legendary city. All you could possibly want. And more.

WELCOME TO ODENSE.
We look forward to seeing you in Odense 2015
